

## [Anubhuti Vision Sewa Sansthan](#)

- **Anubhuti Vision Seva Sans than is An NGO in India in Indore BG 63 Sch No 74 Vijay Nager Indore Madhya Pradesh.**
  - ◆ **We have planned for new building, which is not being fulfilled due to shortage of funds.**
  - ◆ **Space in our existing building is very limited, we are unable to adjust more students with need.**

### **Map Details**

### **Our Dreams**

#### **Our own Home..."aashiyaana"**

**Children have their own building, in which children can live well, there should be a big playground in which children can play. There should be a separate room for each activity of the children, where children can take a breath of their peace and comfort..**

**Our Budget is between 2.5 to 3 crore..**

**But at the moment we do not have that much budget, we have so much available.**

**Donation are divided into Different Type:-**

**Building Fund:-Building Fund in this we collect money for building..**

**Right now a lots of trouble is coming for the map. Our Efforts are also going on continuously.**

### **Monthly Medical Checkup**

***From time to time ,monthly Checkup of Children Of Anubhuti Is also done.They are treated according to their ailments.Medicines are distributed to the students according to their illness.***

### **Yog diwas**

*Children are also shown yoga, children were given special attention of yoga under covid-19.*

### Activity Photo Diwali Celebration

Children make something new in every festival, new materials are made by the children, which are useful in Diwali. stalls of materials made by children are also put up.

### Rakhi Made By Anubhuti Students

Rakhi is also made for children, children create new things at each event.

### Vaccination

Vaccination of children got done by organization. Vaccinated and given information about it.

### Sports (Cricket) Activity

Children also have a lot of participation in sports activities. Participate in the competition and get your important position

### Picnic's

Children are also taken on picnics ...the child is taken to move from place to place information is given about nature.

## Education

Childrens are trained in different ways..children have to be given very good education training but right now we have lack of space.children have to be taught in such a way that they can stand on their own feet.

- *We are providing learning facilities with special aids.*
- *Mainly focusing or acquisition of knowledge, skills, values and personal development.*
- *Basic skills of day to day life are also touch to children.*
- *We have experienced staff with knowledge of special children.*
